## GROW GLOBALLY

### CONNECT

Most new business opportunities are beyond a border, so now is the time to connect. Global Chamber® supports companies doing cross-border business by providing them with resources, connections and a global network to further their growth. Members become part of a borderless community by gaining access to trusted connections in 500 metropolitan areas around the world.

### ENGAGE

Go beyond just a meeting and engage with our global tribe to transform your business. Our members receive:

- > Warm introductions to customers and partners
- > Access to Export Circles<sup>SM</sup> and Export Reach<sup>SM</sup>
- > Access to VIP seminars, training and events
- > Cross border consulting and mentoring
- > Member discounts and special opportunities

### GROW

Companies that do business globally face unique challenges. Global Chamber® eases that pain by filling in the gaps that can happen across borders to help companies grow quicker and lower risk. Doing business in one city? Join your local chamber. Doing business in multiple cities or metro areas? Join the Global Chamber®.
