**Terms and Conditions**

Salt River Project (SRP) offers SRP Business Solutions Custom Program to provide eligible customers with rebates to facilitate the installation of qualifying energy efficient equipment. Rebates are reserved on a first-come, first-served basis for approved requests and are subject to program terms and conditions and approval of a completed and signed Custom Program Rebate Application ("Rebate Application"). This Rebate Reservation Request allows customers to request rebates be reserved for up to 60 days to allow for the submittal of a completed Rebate Application. Rebate Applications must be completed and submitted for approval prior to measure purchase and installation.

Customer will receive a notification (email is sufficient) from SRP providing the maximum rebate amount reserved for pre-approved measures and a rebate reservation deadline. A completed Rebate Application for the applicable measures must be received by SRP before the end of the rebate reservation deadline, or as otherwise approved in writing by the Program Administrator, or the estimated rebate amount will be returned to the general program funding pool and will become subject to program funding availability. Additional rebate funds for qualifying measures will be based on funding availability and rules. Allow seven (7) days for processing and notification of rebate reservation status.
